

JSTOR ARTSTOR

Teaching with Images on JSTOR Webinar Handout

Links and information shared during the April 25, 2024 webinar.

- [Resources for you](#)
- [Platform overview](#)
- [Artstor licensed collection updates](#)

Resources for you

- [Artstor on JSTOR: Working with images Libguide](#)
- [Your Artstor Image Groups on JSTOR](#) - Guide to finding and using image groups copied to JSTOR. [jstor.org/copygroups/](https://www.jstor.org/copygroups/) - If you make changes to groups after February 1, 2024, you can use this tool to copy the updates to JSTOR.
- [Artstor on JSTOR YouTube playlist](#) - **subscribe to this playlist to see new features demonstrated**
- [Artstor on JSTOR welcome page](#): A landing page introducing Artstor on JSTOR to end-users, with a video, links to resources and more.
- [Mailing list](#): Sign up to ensure you receive integration updates.

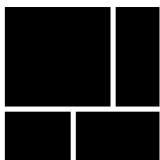

For work with students:

- [Quick Start guide](#)
- [Images on JSTOR: A Training deck for reuse by anyone](#): this gives you a precreated training deck that you can use in all or just in part when working with students. Copy one or two slides to put in your LMS, or collaborate with your librarian in a full workshop..

JSTOR Platform overview

- [Need Help Logging in to JSTOR?](#) - Troubleshooting support for end-users
- [Searching: Using Filters and Facets](#): How to use facets and filters in the Refine Results sidebar to help narrow your search results.
- [Introduction to JSTOR Workspace](#) - [Workspace folders](#) are similar to [Image Groups](#) on Artstor. Users can access their personal Workspace anytime by logging in to JSTOR using their Artstor username and password.
- [Workspace: Viewing and Organizing your Research](#) - Detailed information about sorting, duplicating, moving and deleting items in your Workspace
