Add to Chrome

DOWNLOAD

The Lean Library browser extension is a free tool which assists your library in delivering their services directly into your research workflow in more ways than one!

Note: if your library is not available in the 'Select Your Library' dropdown, please select 'Lean Library Open'. This will give you the free version of our browser extension, which does not need a library subscription.

The features that you'll have access to will vary according to your library's subscription:

Our website uses cookies from third party services to improve your browsing experience. We completely understand if you don't want that so we've included a "Functional only" button to remove these cookies.

The screenshot shows the Chrome Web Store page for the 'Lean Library' extension. The browser address bar displays 'chromewebstore.google.com/detail/lean-library/hghakoefmnkhamdhenpbogkeopjlkpoa'. The page header includes 'интернет-магазин chrome' and a search bar with the text 'Поиск расширений и тем'. Below the header, there are navigation tabs for 'Рекомендации', 'Расширения', and 'Темы'. The main content area features the 'Lean Library' logo, a 3.1-star rating based on 79 reviews, and category tags for 'Расширение' and 'Работа и планирование' with 200,000 users. A prominent blue 'Установить' (Install) button is visible, with a large white arrow pointing towards it. Below the text, a video player shows a computer monitor displaying the 'LIBRARY ALTERNATIVES' logo and text. At the bottom, there are five small thumbnail images showing the extension's interface on various devices.

В поле «Your institution» выбрать *Financial University under the Government of the Russian Federation*

The screenshot shows the settings page for the Lean Library extension. At the top is the logo for Financial University under the Government of the Russian Federation. Below the logo is a 'General' section with a dropdown menu for 'Your institution' set to 'Financial University under the Government of the Russian Federation'. Other settings include 'Language' (English), 'Text size' (Medium), and 'Floating button position' (Off). There is a checkbox for 'Show timer and close extension automatically' which is checked. Below the 'General' section are sections for 'Notifications', 'Integrations', and 'Extension information', each with a dropdown arrow.

Пример: вход на сайт издательства Sage по ссылке <https://sk.sagepub.com/>

The screenshot shows the Sage Knowledge website interface. The browser address bar displays `sk.sagepub.com`. The website header includes the Sage logo and navigation links: Research Methods, Business, Skills, Video, Data, Campus, CQ Press, and Reference & Acad. Below the header is a search bar with the text "Search within Sage Knowledge" and a magnifying glass icon. A large banner features the text "The premier social sciences platform for Sage and CQ Press book, reference and video content." and a link for "Advanced Search".

A popup window from the Financial University library is overlaid on the right side of the page. The popup contains the university logo and the text: "Get access to this site! Your library has access to some of the content on this site. Click here to authenticate." A green button labeled "Get Access" is highlighted with a red arrow. Below the button, there is a checkbox labeled "Allow popups on this domain" which is checked. At the bottom of the popup, there is a note in Russian: "Это расширение предоставлено Библиотечно-информационным комплексом Финансового университета".
